TELL TOMMY'S RACIST MATES WHERE TO GO

JULY 14 – CENTRAL LONDON

The far-right has been getting dangerously strong. They have been mobilising around Tommy Robinson (real name Stephen Yaxley-Lennon), the founder of the EDL, and his recent imprisonment for interfering with a child sexual exploitation case. In London on 9th June they got 10,000 EDL racists out on the streets. It is vital that we all stand up against this.

Their next 'Free Tommy' demo is 14th July. We call on all on anti-racists to join us to oppose them.

The day before the Tommy demo, on Friday 13th July, Trump is coming to the UK. Huge protests are expected against him. His election emboldened the far-right and racists across the world. We can see where such far-right and divisive politics lead in the monstrous inhumanity of children being ripped away from their parents and put in internment camps.

Tommy Robinson and his fan club are trying to create an American-style alt-right in Britain. If you oppose Trump and his migrant hating, anti-Muslim, racist agenda you should stand against Tommy Robinson's crew too.

Protest Trump on Friday 13th and join us on Sat 14th July to tell Tommy's racist mates where to go!
